

PICK OF THE DAY

Alan Carr: Chatty Man 10pm C4

Like the title. Camp gay men seem to have a natural affinity for the job of talk-show host as Alan Carr follows Graham Norton and Paul O'Grady into a genre with a high early-mortality rate. Carr can carry (and steal) shows, so he should be fine, as he shares repartee with Bruce Forsyth, Heather Graham and Pet Shop Boys.

Casualty 1909 9pm BBC1

The costume outpost of the *Casualty* empire returns, with Cherie Lunghi and Sarah Smart ministering to the sick and injured of the Royal London Hospital of 100 years ago. An explosion and a cocaine addict busy the Edwardian medics.
