

Casualty 1909 *BBC1, 9pm* **NEW**

This is the historical drama spin-off from the long-suffering series, set back in the bad old days when wards were crowded, there was a risk of infection, the staff were overworked and – hmm, not much has changed, then. At least nowadays they use anaesthetic instead of chloroform. Sarah Smart plays sister Ada and Cherie Lunghi is the matron with a heart of gold beating under her starchy uniform.
